

# Rayne Newsletter

Friday 5 February 2016 - Issue 3 Spring Term

## ParentMail

Thank you to all the parents who have registered for ParentMail - we now have 95% of children with a registered parent. This is fantastic news as it will help us to improve communications with you via email and text message.

If you have registered for ParentMail but are not receiving emails informing you when a message has been sent - the Helpdesk has the following advice:

Please ask the parent to check their junk/spam folder for email notifications, and add [info@parentmail.co.uk](mailto:info@parentmail.co.uk) to their contacts/address book.

If you are still experiencing problems - please contact the ParentMail helpdesk by email on [parent\\_support@parentmail.co.uk](mailto:parent_support@parentmail.co.uk)

## Another question we have been asked is:

Why am I only receiving messages for one of my children?

The default setting on ParentMail sends messages 'per family'; this means that parents will only receive messages such as newsletters once even if they have multiple children at the school. The oldest sibling's name will appear on the message.

Kind regards

Claire Matthews (Acting Deputy Head)

Well done to classes 3W and 4/3S for having the best attendance this week with 99.01%.
