Dear Parents and Carers,

As we draw to the close of this academic year, we look forward to enjoying many events which celebrate all of the children's achievements. Teachers are busy writing reports which capture the children's learning journey since September. It is only when we reflect like this that we recognise not only how far they have come but also the improvements across the whole school too. Our suggestion box in the foyer is looking very worn but I would urge you in the next couple of weeks to use this to suggest which aspects of parent engagement you have welcomed and any suggestions going forward. The final e-safety assembly took place yesterday, led by our wonderful Reception classes. Thank you all for your attendance at these assemblies and well done to all of the children and teachers for putting these together at a very busy time.
