Dear Parents and Carers,

What an amazing year and how time has flown. I have thoroughly enjoyed my first year as Headteacher at Rayne Primary and look forward to many more, with the school continuing to go from strength to strength. We are all very proud of the children's achievements and they are all excited about their new classes for next year. As the term draws to a close, we thank all the Staff, Governors and PSA for their dedication and hard work. As always we appreciate the fantastic support of all the parents and carers and will continue to work in partnership. Please see below the staff changes for the next academic year.

Enjoy a wonderful summer with your children and we will see them back rested and looking smart in the Autumn Term on Wednesday 6th September.
