Dear Parents and Carers,

This week we have held our first 'Parent Forum' meeting which will act as a channel for communication between the school, governors and parents/carers. Some of the meeting was dedicated to discussing the structure of the sessions and it was decided that an hour meeting once a half term would be agreeable. There are parent representatives from most year groups who will be sharing information and views in the meeting but these will be 'open' sessions where observers are welcome to attend. There will be specific topics for discussion which are chosen and agreed by all with a view to contributing to whole school improvement. At the first meeting there was an update on the Academy Conversion which is on track for the 1st January 2018 and a presentation by myself about 'Home Learning'. The slides of this presentation are available on our website.

Have a good weekend!
